I understand and agree that RORN Collective must receive the request form below within 14 days prior to date of freeze request. Not all requests are approved, most Medical or Injury and country leave of absence are noted reasons for request. The maximum number of frozen months is 2 per 12 month contract agreement, which only pushes your agreement forward by the requested number of months. This does not cancel out any monthly payments owed under the membership agreement and the freeze fee payment is \$10 per month.
